TRANSMITTAL LETTER

Assistant Commissioner of Patents
Washington, D.C. 20231

Dear Sir:

Transmitted herewith is a further substitute Declaration for Patent Application in compliance with 37 C.F.R. §1.67(a) for filing in connection with the above-captioned application.

The above-captioned application claims the benefit of priority under 35 U.S.C. §119(e) to provisional application Serial No. 60/044,693 filed on July 26, 1995 and under 35 U.S.C. §120 to PCT application Serial No. PCT/US96/12170 filed on July 24, 1996. The United States Patent and Trademark Office deemed the Declaration defective because it did not recite the provisional application serial number and PCT application number which was unavailable at the time. The attached substitute Declaration corrects this by including the information. It also transfers Power of Attorney from the former firm of the undersigned to the present firm. Applicant requests substitution of the attached Declaration for that originally filed to correct the noted defect.
